

# *DGL Consulting Engineers, LLC*

**Project Name:**

Topographic Survey  
O-I World Headquarters Campus  
Perrysburg, Ohio

**Owner:**

O-I

**Construction Cost:**

N/A

**Description:**

DGL was contracted by O-I to perform a topographic survey of a twenty acre site adjacent to the newly constructed world headquarter building. The purpose of the survey was to locate horizontally and vertically the natural and improved features of the area. The completion of our survey and mapping work will facilitate the master planning for the entire Perrysburg Campus that is underway.

**Highlights:**

- Project site was developed with private roads that were later dedicated as public roads.
- Site had three existing buildings and numerous parking areas, walkways, drives and landscape features that needed to be shown.
- Utilities on the site were a mixture of privately owned and publicly maintained facilities.
- Drawing was provided to the client in CAD format for the use of their internal design department as well as outside consultants.
